rapid print pro

Curved pop-up counter wrap

Page size: 2084 x 974mm (finished 2060 x 950mm plus 12mm bleed). Full size.
Front panel: the middle 1040mm faces the aisle. Logo and headline here.
The 170mm either side curves away but is still seen from the front.
The outer 340mm each end turns round the sides. Background only.
Keep text 50mm in from the top and bottom. Run backgrounds into the bleed.
150dpi at full size. CMYK. Fonts outlined. Save as PDF, no crop marks.
Delete these guides before you export.
